

## It's Wine O'Clock Somewhere Fundraiser

Finally – A “FUN” way to raise money for your account! And your family and friends can order anytime without any deadlines. Forgot you needed a House Warming gift, need a Christmas Grab Bag or need an escape from all the Covid – here is the perfect solution.

Wine O'Clock Somewhere Winery is offering Fruit Wines and Wine Slushies that you can order on-line and have delivered right to your door. The best part is you do not have to collect payment or pick up and deliver any of the product. But you will be collecting \$2.75 for each bottle that you sell.

We have had postcards made up that you can hand out to your family, friends and co-workers. Pick up whatever you need at the front desk. I am also going to give you instructions below so that you can email everyone. Please read them so that you can explain to your customers any questions they have and more importantly so that you receive the credit for any wine sold.

Statements and credits are sent monthly so whenever someone makes a purchase and uses your name you will receive the credit approximately the 2<sup>nd</sup> week of the month. If you know someone is purchasing wine, you might want to drop me an email and let me know so that I can watch for the credit. You will receive a \$2.75 credit for each bottle that you sell.

You can cut and paste the following into an email. If you have any questions just let me know and I will find out the answer for you.

1. Go to the website: [www.wineoclocksomewherewinery.com](http://www.wineoclocksomewherewinery.com)
2. Click on VinoShipper
3. Add items to cart -Order items you want (if 3 or more bottles are ordered, the shipping is free)
4. Go to cart when finished and CHECKOUT
5. In upper righthand corner click on – Have a Coupon Code

**Enter our code in box: PPAH**

In order to receive credit, please put the PLAYERS LAST NAME as the Middle Name of person ordering. EX: John Smith is buying 3 bottles from me (Karen Rose) – so they would put in John ROSE Smith. You must be 21 to order and the PALCB does check ID's but they confirm the 1<sup>st</sup> and Last name of person ordering.

6. Orders will be shipped directly to person ordering.
7. You can order anytime – weekly, monthly, for holidays or special occasions.

If you are only handing out the postcards, you might want to print the instructions out to go along with it. I just want to make sure everyone understands to put the sellers name in as the middle name so the Credit goes to the correct account.

Thanks,
