BREAST CANCER AWARENESS MONTH

October is Breast Cancer Awareness Month, and youth football leagues across the country are coming together to raise awareness and support for this vital cause. During games and events throughout the month, players, coaches, and families are encouraged to wear pink gear, including jerseys, socks, and ribbons, to show solidarity and honor those affected by breast cancer.

This initiative not only promotes awareness but also encourages conversations about prevention, early detection, and support for those battling the disease. Join us this October as we tackle breast cancer and show our support for survivors and those still fighting. Together, we can make a difference!

This past weekend, our PW team joined EC to show support

STUDENT-ATHLETES OF THE WEEK

The Livermore Bulls Junior Football League would like to recognize our student-athletes whose effort, desire, sacrifice and contribution has made a difference to their team, coaches and teammates throughout the season. Unlike most recognition awards these nominations represent much more than just personal achievement on the field of play. Great teams have players willing to take on new roles and support others for the greater good. By receiving this recognition, the player has demonstrated great character, leads by example, has a willingness to put others first, made sacrifices or other valuable contributions to the success of their team that which is not always recognized.
