

# 2020 Senior Party Bodies

## WHAT ARE THE “BODIES”?

Bodies are “life-sized” printed photos of each graduating senior, used to decorate the school for the all-night party. Bodies will be sent home with students at the end of the party.

## WHAT DO PARENTS NEED TO DO?

1. Take a vertical full-body photo of your student.
2. Take your electronic photo to a vendor to be printed. Important details:
  - a. Bring your file on a USB jump drive
  - b. The image should be 300 dpi or higher resolution
  - c. The image file should be in .jpg format
3. Pick up your printed body.
4. Write your students’ first and last names clearly on the back/top of the printed body using permanent marker.
5. Drop off your printed body at a *to-be-announced* drop-off time/location.
