Dear Members;

The 2019-2020 season is in the books. Our teams did a fantastic job this year. Thanks to the many coaches, assistants, team managers and parent volunteers that helped make a difference this season!

MidAm Hockey's district board has chosen to suspend any on-ice tryout or group activities until May 15, 2020. Further, Hamilton Center Ice Arena remains closed and has removed the ice from the surface of the rink. As such, CYH's previously scheduled May tryouts are CANCELLED and will be rescheduled to a later date.

Encourage your child to stay active in these challenging times. There are hundreds, if not thousands, of workouts and challenges for hockey players that can be performed off the ice. Check out Youtube. If you have a goal and shooting pad at home, challenge your child to complete a puck challenge. Great supplement to e-learning! Stay active and healthy!

Sincerely,

Steven Nelson, CYH Board President
