

Dear Families,

Below you will find the rosters and numbers that have been assigned for both jerseys. As part of our roster announcement policy for the next 48-hours we will not answer any questions regarding the placement of your player. We are excited to get the season started. League schedules will be determined April 6TH. We will update each of the team pages with their respective tournament within the next few days.

Your player can expect an introductory call from their head coach and each family a welcome email in the next few days depending on Spring Break schedules. We will also determine over the next week what our indoor/outdoor practice plan will be. Please be patient as we formulate this plan, secure indoor/outdoor space until our fields are cleared for use by the city and school district.

Thank you for your patience while you waited for us to publish the rosters.

Chris Johnson
