

Scheduling

District 6 Games

- 1- Your District 6 games are loaded on to your calendar. District 6 assigns referees to each league game. The dates, times and locations listed on Arbiter (Amy and Mary Pat will explain) are the official schedules for each team. PLEASE GO TO YOUR ARBITER ACCOUNT AND MAKE SURE I PUT THE CORRECT GAMES ON YOUR CALENDAR. If you find a mistake please let me know and I will correct it on the calendar. You will NOT be able to edit/delete "events" I put on the calendar.
- 2- Changing a D6 game costs \$100 per game (charged by and paid to D6). The team necessitating the change will be charged. D6 does not like to do this so unless its completely necessary we don't like to. If you choose to change a game YOU must contact the opposing team. Although most teams will oblige they DO NOT have to go along with the change. If they agree to moving a game send me an email and I will help.

Tournaments

- 1- Please add your tournaments to the schedule. Most teams will add a generic event for the days of the tourney something like "Hopkins Tourney" so parents can easily see the weekends they are scheduled. When you get your official tournament schedule update your calendar as you see fit.
- 2- If you find that I have messed up and put an "event" during your tournament juts let me know I will remove it.

General

- 1- You may add things like "locker room Dad/Mom" or a dryland schedule as you see fit just be sure to select your teams tag and the correct date. If you have questions feel free to email me.

Dropping ice

- 3- Send me an email to tome5937@gmail.com indicating date, time and rink (1or2) you would like to cancel
- 4- If shared ice notify manager/coach of team you are sharing ice with
- 5- I will remove the "event" from your calendar. You will NOT be able to edit/delete "events" I put on the calendar.
- 6- Notice must be given at least 2 weeks in advance of scheduled ice time or your team will be charged
