## **COVID POLICY**

If you or anyone in your household has symptoms or has been exposed to COVID do not come to the gym.

**PLEASE get tested before returning to gym. You should be tested 5 or more days after your last exposure to COVID or if you experience symptoms.**

You may return to the gym if:

- It has been two weeks from the first symptoms or 72 hours after the last symptoms whichever is greater. This includes symptoms for the child or anyone in the household. We highly recommend testing your child before returning to gym.
- A negative COVID test for the child 5 days or more after their last exposure to COVID.
- A negative COVID test for the child after they have been diagnosed with COVID.
- A note from the child's doctor clearing them to return to regular activities after COVID or a COVID exposure.

We do not refund tuition if you must miss gym due to illness, we can however schedule you for make-up classes. Our policy is one make up class per session, however if you are dealing with a serious illness such as COVID please let us know and we will work with you.
