

**2025 OPEN MODIFIED APPROVED PITCHERS LIST BY LEVEL: Updated 6/19/25**

Any pitcher not listed here, must be submitted and approved and rated before the team is placed in the appropriate division, this list is subjective and meant as a guide, pitchers can be moved up or down based on skills.

No pitcher in an upper division is permitted to pitch down, but a pitcher from a lower division can pitch up, if that pitcher consistently pitches up and performs well in the higher division they will be moved to that list).

The 35/40 & Over division no pitchers from the A/B+/High B level can pitch in this division.

This list is a LEAGUE pitching list and is subject to change based on pitching skills, if a team has a pitcher in the wrong division they will be moved to the appropriate division (in consultation with the umpires and commissioner).
