

CHELMSFORD YOUTH WRESTLING

I am writing to seek your help and support. For the past 30 years, Chelmsford Youth Wrestling (CYW) has offered young athletes in Chelmsford a top-notch wrestling program, focused on developing skills, building confidence, and instilling self-esteem that will last them a lifetime. Much of the success of this program can be attributed to the generous donations of individuals, families, and businesses from our wonderful community. We hope you'll consider donating this year, in support of the CYW 2022-2023 season.

As mentioned above, our youth program, which serves boys and girls in grades K through 8, has seen a high level of success over the years. We're frequently referred to as the "breeding ground" for Chelmsford High School (CHS) Wrestling-One of the best programs in Massachusetts-as many of our wrestlers have gone on to succeed there. Its amazing to watch these young wrestlers develop their skills while building confidence and self-esteem along the journey. CYW has a proven track record of producing student athletes that go on to be successful not only in athletics and academics, but more importantly, in life.

We are proud to have coached and developed State Champs, New England Champs an even some National Champs over the years. Whether they leave town for college a new job or a change of scenery, many return to Chelmsford and donate their tie to work with our young student athletes, as many did for them.

As with any successful youth athletics program, it costs money to run including everything from practice equipment to tournament uniforms to shorts and t-shirts for all participants. One major source of pride for CYW, is that we never turn away any wrestler because he or she does not have the resources to participate. Whether they need assistance with registration fees (which we work to keep low) or wrestling shoes and head gear, we figure out a way to make it happen. We believe every kid should have the opportunity to learn this great sport, and compete throughout Massachusetts and New England, if that's what they want to do.

Our passionate and highly skilled coaches volunteer their time and teach these girls and boys to respect the sport, show good sportsmanship, get good grades and be proud members of the Chelmsford community. Whether you have a child in the program, have wrestled yourself, or just asnt to support a great community program, we hope you'll consider donating to Chelmsford Youth Wrestling. No donation is too big or small.... every dollar counts!! (Note a donation of \$100 or more earns you recognition at our Chelmsford Youth Wrestling Tournament, one of the best tournaments in the state. If will be held at CHS on Sunday January 8th – you should stop by and check it out!). Also, all donation are tax deductible.

If you have any questions, please feel free to contact me at any time.
Many thanks for your consideration and continued support of Chelmsford Youth Wrestling!!

Kindest regards,
