

Rowlett Youth Soccer Association

5211 Gordon Smith Dr. Rowlett, TX. 75088

Dear RYSA Parents:

In the world of youth soccer, player placement onto teams is divided into age brackets based on a calendar year of the player’s year of birth while the playing year (aka`soccer year’) runs from September 1 – August 31 of each year.

The Board of Directors for the Rowlett Youth Soccer Association highly recommends you to register your child to play in their proper age bracket yet recognize this is a parental decision. Upon approval of both the releasing and receiving Age Group Directors, or other Board Member(s) if there is a conflict of interest, we do allow a child to play up one age group. We do require those parents who choose to have their child play in an older age group to sign this waiver stating that they understand that their child should be playing within their own age bracket but they waive the right for them to do so and accept all risks in playing with the older players.

Sincerely,
RYSA Board of Directors

I understand that our child should normally be playing in their own age bracket. I waive this right and accept all risks so that my child can play with children that I feel they are capable of playing with.

I will take all responsibility for this decision and affirm that the child was not recruited to play on a particular team.

I also understand that, if approved, registration fees will be based on the age group I am requesting for my child to play in.
