

# COVID PROTOCOL

[PLAYER TEST POSITIVE FOR COVID-19]

After following all the training and game protocols based on the Governor's Directives and Indiana Soccer Minimum Requirements. If a player of Impact SC tests positive for Covid, we want to ensure we take the proper actions in order to keep everyone safe.

*Please note, if you are waiting for results for a Covid test, you should be considered in Quarantine. DO NOT come to any Impact activities until you present an official note of return from your doctor.*

## **If a player tests positive:**

1. PARENTS, Please notify the Directors right away 317-695-1431.
2. DIRECTORS will email all parents of players on team or teams that have interacted with that player.
3. TEAMS/COACHES in contact are on a 72 hour suspension to allow parents to monitor testing or report symptoms.
4. PARENTS, it is up to parents to conduct testing or monitor symptoms of their player.
5. EXECUTIVE DIRECTOR to follow up with family of infected player on contact tracing results.
6. PARENTS, NO player is allowed to return until the Club is presented with a Doctor's note of return after the minimum 14-day quarantine.
7. If player is in quarantine set by the school or medical professional, you are to remain in quarantine and not attend in-person Club activities. See #6

IF you have questions on any of the protocols concerning Covid 19 and player safety, please contact the Executive Director.
