PRESIDENT'S NOTE

Five years ago, Fort Wayne Amateur Hockey Association was formed with the vision "We commit to provide all hockey players, families, and coaches with a premier development experience through appropriate levels of play". The progress our players and coaches have made over that time is awesome! A lot of this has to do with the improvements we've made to the program over the last few years, much of which was made possible by taking an organizational approach to development.

In the interest of continuous improvement, our skill sessions began using Power Edge Pro (PEP) this season. This program has a strong history of developing some of the top players in the NHL. Our coaches received training in late September, and we implemented it in sessions starting in December. We believe this will not only improve the level of our players, but also attract other players to our programs in the future.

The 2021-22 travel hockey season began with a rebranding of our youth teams as PSM Force Green and Blue, both participating in Little Caesars Amateur Hockey League. Our PSM Force Blue teams continue to compete in the highest divisions within Little Caesars.

Our High School teams continue to grow as well. We expanded the Varsity and Prep team rosters to accommodate the number of players wanting to play in our program. As our program grows and develops, we continue to see our High School teams competing at higher levels within the State. We were very excited to see how well they all competed at State this year!

On behalf of the Board, I thank everyone for a great season and look forward to seeing everyone at the rink for our 2022-2023 season which promises to be our best yet!

MAYA HOWER

Position: Defense

Maya developed a love of hockey at the age of 2 while watching big brother Bryce on the ice without her. Whatever big brother did, she wanted to do as well. He played hockey, so she played hockey. He was a defenseman, so she became a defenseman. Maya has played the majority of her hockey career with boys and has had her share of struggles often being the only girl on the team. This just made her even more determined and mentally tough to keep playing the game she loves. Maya played as a freshman on the Summit City Panthers with Bryce his senior year which was something that they both cherished. The past two years, she played on the Renegades and was as an Alternate Captain both years. Her senior year, she is playing for the FW Vipers as well as girl's Team Indiana. Maya will be majoring in Biology on the pre-vet track following her passion working with animals. Maya has not ruled out playing hockey at the collegiate level, but her first and foremost goal will be on becoming a vet. No matter what, she will always strive to be the best!

6

CARTER KNOBLAUCH

Position: Defense

Carter began his love of hockey at the age of 6. He played league hockey in Fort Wayne and on the Komets and Parkview Force Select teams. His Parkview Force Bantam Select team played one and two levels up all year, winning three tournament championships, one runner-up, and won the International Silver Sticks championship in Pelham, Canada where Carter had the game winning assist in overtime in the championship game. Carter has been a defenseman for the Northrop Bruins his freshman year, and Fort Wayne Vipers thereafter, where he will finish his high school career as the captain of his team. He was named Second Team All-City as a junior. He was also a member of Team Indiana 16U and the Spaceman 18U team. Carter also plays baseball for Woodlan High School, in which he was a first team all-conference player last spring. Carter plans to continue his academic and athletic career pursuing a degree in accounting and playing baseball as a left-handed pitcher.

Ian started his high school career with Summit City Panthers during his freshman year and he is finishing his high school hockey career as a Fort Wayne Viper. He has maintained a never give up mentality throughout his career even with extensive injuries. Ian will never forget playing with his brother since he would strive to follow in his footsteps. Ian plans to pursue either dream of becoming a marine or a K9 officer while studying criminal justice. Ian gives his thanks to his past coaches, family and previous teammates for making high school hockey special to him.

Dakota “MoMo” Carter first hit the ice in second grade. Unfortunately, it was with his face, but that didn’t stop from pursuing his hockey career. Dakota participated in both the house league and select programs. He joined the Leo Lions as number 67 as a Freshman and Served as an assistant captain both his Junior and Senior years. Dakota’s favorite part of playing hockey is the team camaraderie. He plans to spend time on the ice in the future while he pusues his degree in mechanical engineering.

MADDOX KNIPPEN

Position: Defense

Maddox started playing hockey in 2011. He has played travel with the Komets, Force, Findlay Trojans, and joined the Leo team Sophomore year. He has a positive attitude and love for the game, which has shown through in his 10 years of hockey. Maddox’s favorite hockey memory is scoring a shootout goal to win a tournament game.

11

LOGAN ROBISON

Position: Center

Logan first stepped on the ice at 3 years old. He has played more than 8 years of travel hockey and is currently finishing up his 4th year for Leo High School and 2nd as a Captain. Logan does not have a most memorable hockey moment, but instead has enjoyed the many friendships, championships, and memories along the way. Logan will graduate from Leo High School this year and plans to continue playing hockey while pursuing a career as a medical doctor. We wish Logan the best this season and with all his future endeavors.

I'll never forget the first time I took you skating. You said you hated it and all you do is fall down. We tried it again the next day and you skated so far across the lake I could hardly see you! It's been such a pleasure watching you grow not only as a hockey player, but also as a man. I'm so proud of you.

Thanks for the ride it was awesome!
