

Indiana State Wrestling Association, INC Section 5 Annual Report 2024-2025

Section 5 of Southern Indiana had 52 clubs this year with all but 15 of them being Chartered. Among those 50 clubs we had 4 new Clubs; Blue Jackets Wrestling Club and Providence Wrestling Academy. To my recollection we had 5 Folkstyle Tournaments and 3 Freestyle/Greco tournaments. We remained the same number of Folkstyle tournaments from the previous year, and also had the same amount of tournaments on the Freestyle/Greco side. I'm going to continue to work to improve these numbers next year.

I would like to thank all members of Section 5 that helped at our local and State events. It was a pleasure to serve them all as the Section 5 Director. I would like to also thank all the board members for their continued guidance and tutelage on how to better serve the ISWA and all the work that they do for the betterment of the sport.

Yours truly
Payton Halbig
