- **Adoption of Agenda:** Wilson Motion / Simon Second
- **Approval of Minutes:** Schmode Motion / Wilson Second
- **Open Forum Public:**
 - Greg Beavers: 12U leveling and teams; does not feel that having snaked teams worked well due to the vast differences in skill levels; suggesting running with two AA teams and 1 single A team; or run two single A teams but have them tiered.
 - Mark Tesmer: Wants to understand what levels will be before teams are finalized. Felt the snake draft did not work well last year as one team felt
 - Justin Kastner: Something needs to be adjusted at the 12U level. Two A snaked teams did not work; feels there is a safety issue with having such vast skill level differences; understands we want to create competitive teams; suggesting either bring back AAA or do two AA / A; or just go to two teams
- **Treasurer Report (Cranor):**
 - CD \$10K / Savings \$72K / Checking \$56K
 - Laabs is working with a CPA for a tax return
- **General Business:**
 - Baseballism Fundraiser: Cranor - 20% of sales from our fundraiser would come back to us.
