

Northbrook Hockey League – Ad Book Ads - Directions

Steps for the NBHL Ad Creation

1. Create your Ad in Word, PowerPoint or other. ***Hard copy Ads, physical pictures, etc. cannot be accepted.***
2. Ad should include the picture of your player.
3. Include any tag line or wording you would like within your created document. We **WILL NOT** design your Ad for you. You must submit a completed ad.
4. SAVE to a **PDF document format**, naming the document with your **Player's first Initial, Last Name and Team Name. Example: TSmithBantamAA.pdf. It is important that you NAME YOUR FILE as we will have hundreds of player's ads/pictures and will not know who they are!**

Please note that your ad must be submitted in PDF format and complete to be included. The NBHL is unable to customize or create/change/add to your Ad; it is the responsibility of the individual to create the final document.
