Venue and Concession Agreements: Concession receipts will be retained by the school hosting and staffing the event. 40% of Venue receipts will be retained by INGLA, 60% retained by host school.

I certify that my answers are true and complete to the best of my knowledge and that I agree with the financial obligation agreed to above.

Signature: _____ Date: _____

*Priority will be given to a site that can host both the Semi-State games as well as the State Finals.

Responsibilities of the Host School

(From the Coach's Compliance and Guidelines)

1. Site Coordinator name and mobile phone number must be given to the INGLA Officials' Assignor and to the Head Official (labeled in Eventlink) prior to the start of the game. Only players and coaches loaded into INGLA by the first day of post season play are allowed to be on the sidelines during the post season games. Players dressed in uniform and on sideline will be limited to 30. Non player personnel will be limited to registered coaches, team managers, and trainers.
2. Ensure both teams playing provide one scorekeeper to sit at the official score-table. This person is not included as part of a team's allotted personnel.
3. Notify the visiting school(s) of reserved parking spaces for buses, specific entrance and exits to be used by team and student body, game time, and other important items necessary to conduct the contest.
4. Designate specific seating locations for visiting and host schools.
5. Provide adequate police or faculty supervision to begin at least 30 minutes prior to the event starting time and end when all groups have dispersed.
6. Arrange for the presence of law enforcement officials inside and outside the contest area.
7. Charges should be filed against any person, school-connected or otherwise, who commits assault and/or battery against students, school employees or game officials. Ordinary order and discipline at inter-school events should be enforced by prosecution and action in the courts. It is the host site's responsibility to file such charges unless the person or group committing the offense has made amends to the offended person or persons, and the Executive Committee of the INGLA is satisfied that the public interest does not require prosecution or further disciplinary action.
8. Reserved parking locations should be set aside for the contest officials, and they should be notified of the location prior to their departure for the event site.
9. The host site should provide adult chaperons to escort officials to and from their dressing quarters and to their cars.
10. The officials' dressing quarters are PRIVATE. No one should be admitted, and this would include personnel from the host site.
11. Any unusual incidents or developments should be reported to the INGLA immediately.
12. The host site will secure a PA announcer for all games played at the facility. The PA announcer will not add any additional or "homer" type of commentary after any stoppage of play. If a player is recognized for a goal or assist, they should only announce their name and jersey number.
13. Music can be played during warmups and half time. No explicit or R-rated lyrics are allowed. No music will be played after goals or time stoppages such as timeouts or injuries. The volume can be lowered if the coaches or officials deem it too loud at the field level.
14. Yellow NOSCAE lacrosse game balls will be supplied by the host site. 8-10 should be placed on each end line for each game and replenished for each half.
15. Walkie Talkies must be available for the officials to communicate with the press box, if the time is kept off the field.
16. Ability to provide water for each team bench.
17. If locker rooms are available, please let the visiting team(s) know.
18. Host site will provide a person to run the clock for all games played during sectional rounds. Officials will run the clock for the Semi Final and State Championship games but the host site will need to ensure someone is available to provide a training session.
