

**Dear Prospective Sponsor:**

The **Michigan Blackhawks** are a locally based competitive youth baseball and softball club fielding baseball and softball teams from ages 8 to 18. Our Mission is *“To Simply present the opportunity to fall in love with the wonderful game of baseball and softball.”*

Our goal as an organization goes beyond the fundamentals of athletics and focuses on teaching these developing youth players how to be a positive part of a team, demonstrate respect for others, support good sportsmanship, and self-discipline. These are all admirable traits that extend to life outside of sports and will serve these players over the course of their lives. We would **truly appreciate** your support of our local Michigan Blackhawks team(s) for the upcoming season. Our teams will be competing in the Oakland Yard Winter League, Greater Flint Baseball League, Ripken Experience’s along with several local area tournaments. The cost to participate in these events continues to rise and any contribution you can provide directly benefits these players and offsets the individual costs of our participating families! We are a registered and active **501c3** so your contributions are completely tax deductible.

We offer three contribution levels described below:
