

July 12, 2018

Dear Volleyball Supporter,

Achilles Volleyball Club is a 501(c)(3) nonprofit organization with the ultimate goal of facilitating the advancement of young athletes looking to excel in volleyball. We provide intensive training, elite coaching, and opportunities for students to progress their skills. We look to give students the technique, tactics, fitness, and discipline required to compete at the collegiate level. Participation in competitions will give our players an opportunity to perform in front of nationally ranked coaches searching for players to recruit in their team. These coaches have financial resources to provide for players to matriculate to their respective colleges. With the potential for scholarships and to improve their game, the young men and women of Achilles Volleyball Club are determined to work hard and stay committed to representing the club and the community, which manifests itself in the classroom, on the court, and the relationships that they build.

Unfortunately, all of our players deal with various financial struggles that make it difficult to participate in our program. The boys' and girls' club season runs from September to June and we host practice 2-3 times a week. It is a major financial commitment for our players' families. For the basic running costs of the program which includes uniforms, tournament fees, player registrations, and accommodations for multiple-day tournaments.

By donating to our program, you will be able to provide an opportunity for all our athletes to fully participate and have a chance to play at the next level. Your donation will also help with costs associated with maintaining and purchasing new equipment to aid in the improvement of our athletes. With your contribution, our young athletes will be able to open more doors for their future and meet our aim for every athlete to have volleyball be a pathway for them to college.

Sincerely,

Kylie Rom
Club Director
