

## **PARTY** with the Pioneers Pinnacle Football Auction

On behalf of the Pioneer Booster Club, we would like you to become a part of the Pinnacle Football Community. The Pioneer Football Booster Club is a non-profit organization, operating for the sole purpose of raising much needed funds for our Pinnacle High School Football Program. This program includes over 200 families with student athletes across the Freshman, JV, and Varsity levels. Funds raised benefit our program by making it possible for us to provide the safest gear, training equipment, uniforms, weight room enhancements and conditioning programs to name a few.

Every August, our Pioneer Football Club hosts an auction that numerous local businesses donate items, services, or gift cards for our guests to bid on that helps us meet our financial goals. Your donation not only supports the football club at Pinnacle High School, it shows the community that your business supports your local high school student athletes. Please consider becoming a Pioneer Auction sponsor to ensure the team has everything they need for a successful 2018 football season! Go Pinnacle!

Sincerely,  
Cheree Brown
