I \_\_\_\_\_ have received a copy of the Rushmore Thunder Hockey Association participation agreement and agree to abide by the system within. I agree to earn the hours as required below with a maximum of 60 hours per family. I understand it is my responsibility to claim and track my hours on the RHA website using the DIBS tracking system. I understand if I do not complete my hours my check will be cashed at the end of the season. I further understand that I will not receive any monetary value for any hours over the required hours served.

I understand my check will be shredded at the end of the season if my hours are completed. If I want my check returned, I need to notify my level point coordinator.
