

Play Like a Girl!

The Greater Greenville Hockey Association is proud to offer the only all girls hockey program in the state of South Carolina. Our girls are comprised of mostly girls from the upstate area. But we do have girls from around the region who currently help fill our teams, so we have enough to play in tournaments throughout the Southeast. Our goal as an organization is to grow the sport of girl's ice hockey. While our girls do get a chance to play with the boys, having a place for them to just play and bond with each other and other girls only teams is very important. The social dynamic and team building develop in a much different manner when the boys are taken out of the picture. The sportsmanship, teamwork, personal growth, athleticism, and friendships will last a lifetime. Unfortunately, most girls will drop out of the sport in their early teens if there is not a girls' team option as that is when the boys game gets much more physical.

GGHA is a non-profit 501c organization run 100% by volunteers. All Donations are tax deductible. Funding is our biggest challenge to keep girl's hockey going. Hockey in its nature is a very expensive sport. Ice time alone runs near \$350 an hour and that doesn't include equipment or travel costs. When we started the program 2 years ago all of our girls were in the younger age ranges. We dubbed that team the "Warrior Princesses" and got them bright pink jerseys as a recruitment measure. It was a great start but now we are outgrowing those cute pink jerseys and are in need of more size appropriate ones for our older girls the "Lady Warriors."

We'd be honored If you or your organization would consider sponsoring our girls' program. Our biggest need is to get a set of jerseys for our Lady Warriors. With sponsorship we could put your company's logo on them as well as on the GGHA website. We could also get you a jersey with your name on it to display in your place of business. A one-time donation of \$1500.00 would provide uniforms that will last for years.

I'd be happy to answer any questions about our program and what you could do to help us grow this great sport and enrich these young Lady Warrior's lives.

Thank you for your consideration,
Matt Hoyle
GGHA Girls Program Coordinator and Head Coach
