

COVID-19 RETURN TO PLAY GUIDELINES

Welcome Back Louisville Fury Players!

We are excited to see you – and to get back to some serious reps, it's been quite some time!

Safety is first always, and with all the COVID-19 daily living changes around us, it should come as no surprise that Fury will significantly change its practices and other events moving forward, too. We appreciate your understanding during these unprecedented and ever-changing COVID-19 times.

We have reviewed select COVID-19 information and sought guidance about how Fury can practice, safely and practicably, in our new COVID-19 world. Louisville Fury, LLC ("Fury") is now implementing the following Play Guidelines, which will remain in effect, until further notice:

- ✓ Mid-America Sports Center has issued specific COVID-19 guidelines to Fury which should be read, agreed to, and followed by all Players, Coaches, and other participants at any Fury Mid-America event or practice.
- ✓ Mid-America Sports Center is responsible for screening all persons entering its facilities. Fury will not conduct screening, but instead rely upon the screening conducted by Mid-America.
- ✓ Fury will strive to follow the Mid-America COVID-19 guidelines at all times while practicing or hosting a Fury event at a Mid-America facility.
- ✓ Mid-America and Fury each require all Fury Players, Coaches, and Participants to sign separate COVID-19 Assumption of Risk and Waiver of Liability forms before and/or at the start of each Fury event or practice.

Again, thank you for your understanding during these unprecedented COVID-19 times! As official government and other COVID-19 guidelines change, so will our Fury COVID-19 Guidelines. We want everyone to feel comfortable about returning to play Fury, and are always open to questions and suggestions. These Guidelines remain subject to change, at any time, with or without advance notice. If you would like to discuss them or have any questions, please contact Club Director, Ward Lotze at louisvillefury@gmail.com.
