

WELCOME to the Las Vegas Heat Youth Track Club! This will be a great 2020 track season and we are happy you and your athlete can be apart of it. Below is some helpful information that you will need for the upcoming track season.

OUT OF TOWN TRIPS

- We have one out of town track meet this year. Our first one will be the Phoenix Invitational, April 18-19, 2020 in Mesa Az. We are in the process of securing hotels for the out of town meets and will have the information for you closer to the meet date.
- Association Championships and Junior Olympics will also be held out of town. We will have more information on future out of town meets for association championships and JOs at later date as well.
- The cost for each athlete to travel with the team is \$180. This includes, bus/van transportation, lodging and all meals for the weekend. We encourage all athletes to travel with the team to ensure they are prepared for their events.
- Athletes will be placed in hotel rooms with other athletes of the same sex and age and accompanied by chaperones. All chaperones have had a background check. (Chaperones are either coaches or staff members)

PRACTICE

- Practice will start in January, 2020. Practice will begin three days a week and will eventually move to four days a week. You will receive notification regarding the change. Practice is mandatory. If there is a school activity, illness or homework that needs to be done, please contact one of the coaches to explain that your athlete will not be in attendance.
- There may be a requirement to sign your athlete into practice. More information to come.

JUNIOR OLYMPICS

- Junior Olympics will be held at University of North Florida, Jacksonville, FL, July 27- August 2, 2020.
- While we understand not knowing whether your athlete will qualify for the Junior Olympics, please be mindful of the date and location. If they do qualify, you will need to make your accommodations to ensure they attend.

PAYMENTS ON BOOKS

- ANY monies on your athlete's books after the end of the season CANNOT be refunded to you. Any remaining money will be absorbed to the team account. By law, we are not able to carry over any money.

MEETINGS

- We will be having several MANDATORY parent meetings throughout the year. If you are not able to attend, we need to know. This is important information that is passed down and we do not want a parent/guardian to not have the information.
