- It looks like last year we had 7 models. We typically like to have about 8 models and would prefer to have ½ male and ½ female models. The only male model that BBSC found for us last year was Bob Running. He mentioned to me a few weeks ago that he would be willing to model again. We would love to have BBSC models instead of coercing our employees to model©

As for fittings, we could schedule times on Thursday, Friday or Saturday (Nov. 7-9) and Tuesday, Nov. 12, as a worst case scenario. Please have the models call Carrie or Jane at Greenwood's Ski Haus (342-6808) to set up a fitting time.

We should try to schedule a brief meeting sometime next week just to make sure we are all on the same page and are taking care of expected responsibilities. I could be available any day next week. Let me know what is a good day/time for the rest of you.
