Competition Format

- The number of sessions and rotations will be dependent upon the number of competing athletes.
- There will be a timed warm-up session before each event.
- Regional evaluations can also be quite beneficial to coaches.
 - We encourage coaches to attend even if they do not have any gymnasts being evaluated. It is always good to see what the evaluators are looking for in preparation for next year.
 - The Region also encourages out of age group competition, i.e. a 10 year old doing the 8-9 year old routines. This will often help to stimulate the growth and development of a Future Stars program in your gym.

Entry Forms

Enclosed is a **sample entry form** so you can see the information that you need on your own entry form? This will be a USAG Sanction event. No entry forms will be accepted without current USAG numbers for coaches and athletes. **USAG numbers marked with “pending” will not be accepted.**
