

To my fellow Cambridge-Isanti Hockey Association families:

My name is Colt Asmussen and I am writing to express my interest in joining the Cambridge-Isanti Hockey Association Board. I would appreciate your consideration and vote at the annual meeting.

My wife, Katie, and I have two boys that play hockey for the Cambridge-Isanti Hockey Association. Scott is finishing up his first year as a Squirt and Adam is finishing up his last year as a Mite. I am fortunate to have a career that enables me the time to dedicate myself to the hockey season. My family and I are often at the rink, even when my own boys aren't on the ice. We truly enjoy supporting Cambridge-Isanti Hockey!

I was a youth player with the Cambridge-Isanti Hockey Association and it makes me proud to think of how far the association has come and I am thankful for the hard work of the previous board members. I can remember the days of trekking to Princeton and East Bethel for ice and spending a lot of time at the old outdoor rinks in Cambridge because we didn't have our own rink!

Over the past six years, I have volunteered within the association through coaching, Learn to Skate, and Try Hockey For Free. Throughout this time, my family and I have made friendships that we will value forever.

My goal in joining the board is to see that everything we do be player focused. I think every player should have the best possible experience while they are playing for our association. I would like to see our coaches, at all levels, work as one so we can learn and communicate the best methods of coaching for the growth and development for our players. If chosen to join the board, I know that my dedication to Cambridge-Isanti Hockey will help the continued growth of our association.

Thank you for your time and consideration. Please feel free to reach out to me with any questions.
