Meet SYC Tackle Football's New Commissioner, Brian Mumford!

Coach Mumford has called the Springfield area his home since 2003, but was born and raised in the "Big Easy" so naturally he's a die-hard LSU Tigers fan & alumnus! Brian has two sons who attend Robinson Secondary School, and both sons played SYC Football growing up. Coach Mumford began coaching with SYC because his son asked him to, and we all know how that goes! He has enjoyed his role as Assistant Coach over the years and jokingly admits he is biased toward the Defense; "I love coaching Defense & Special Teams, the Defenses have established themselves as their own gang, or pack of wolves, within the complete team." Coach Mumford is passionate about youth football and has been known to become "animated" during practices and games. His players know his mantra by heart which is *"Everyone Must Contribute"*.

While he no longer has a child in the football program, Coach Mumford chooses to remain with SYC because he loves the sport, especially at the youth level. He looks forward to meeting your players and your entire family at summer camp and at practice in August. If you have any questions or need more information please don't hesitate to email Coach

Mumford directly at football@sycva.com. We can't wait to see what his high energy, skills, and experience will bring to SYC this fall season!

Download on the App Store GET IT ON Google Play

Starting at the end of June 2021, all users will see a new, simplified Demosphere login experience. Users will follow the same navigation path and login credentials as before, but they will now be directed to a new universal Demosphere login page.

These updates include additional security updates and will ensure we are maintaining the highest level of security for all users across the entire Demosphere platform.

The registration login experience will also get a face lift. Users will now see the organization's custom welcome message on the login screen, prior to logging in. We're excited to launch this highly requested feature!
