▶ A LONG TIME AGO...

The last time Rochester John Marshall defeated Owatonna was almost exactly 18 years ago on October 19, 2005. Back then, most of the players on the current OHS roster were infants, and many were not even born yet.

▶ TOTAL TURNAROUND

Under second-year head coach, Kyle Riggott, Rochester John Marshall has drastically improved in every phase of the game compared last season. The Rockets' three wins are already more than the program compiled in 2022 and 2021 combined (two). Their offense is averaging 20 more points per game compared to 2022 and its defense is allowing 17.3 fewer points.

▶ RECORD WATCH: NOLAN GINSKEY

If Nolan Ginskey maintains his season average of 108 receiving yards per game and Owatonna plays at least four more contests, he will become the first receiver in program history to surpass 1,000 yards in a single season. Currently, Noah Budach (Class of '18), owns the record with 994 yards establishing in 2017.
