

D1 DALLAS COVID-19 REOPENING GUIDELINES

ESD Lacrosse

Facility | *What are we doing to keep our facility clean and members safe?*

- We have contracted with DIS.IN.FX® to test and treat all equipment and surfaces in the facility. Treatment and testing will occur on a regularly scheduled basis. The DIS.IN.FX Treatment Process combines fogging/spraying/misting technologies that treat facilities with a proprietary blend of high powered disinfectants, cleaners and RAZOR Antimicrobial Coating™. The residual technology in the treatment helps to protect surfaces for an extended period. The DIS.IN.FX® Treatment Process ensures that all areas of the facility are disinfected, antimicrobial coated and Germ Expert Certified™! The DIS.IN.FX® Treatment Process is proven to kill 99.99% of harmful microbes and inhibit microbial growth reducing cross contamination.

- The D1 Dallas staff is cleaning before, during and after business hours with Clear Gear. Clear Gear is a disinfecting and deodorizing spray for athletic gear and equipment that kills 99.9% of bacteria, viruses, and fungi, while eliminating odors. Clear Gear does this without any harsh chemicals, like alcohol or bleach, that corrode expensive equipment, making it completely safe for use. Clear Gear has demonstrated effectiveness against viruses similar to 2019 Novel Coronavirus (2019-nCOV virus) on hard, non-porous surfaces

- In order to improve the air-flow of the facility, the exit doors will remain open and the fans will be placed throughout the training space.
- Disinfectant wipes and hand-sanitizer will be readily available and easily accessible.
- Locker rooms will be open for restroom use only. No lockers or showers will be available for use.
- Water fountains and the family viewing area will be closed.
- Facility is capped at 50% capacity, maximum 94 athletes. Coaches and staff is not included in maximum capacity.

D1 DALLAS COVID-19 REOPENING GUIDELINES

- There will be a mandatory 72-hour closure if there is a confirmed case of COVID-19 by an employee or athlete who has been in the facility.

Athletes | *What do we need your help with to keep everyone safe?*

- Athletes are encouraged to bring their own water bottle as the water fountain area will be closed.
- Athletes must adhere to all signage and staff instructions regarding safe social distancing while in the facility. Always stay at least 6 feet apart from other athletes, and there must be no touching (no high-fives, fist-bumps, handshakes, etc.)
- All athletes are encouraged to arrive 15 minutes before their scheduled class or appointment time to complete a temperature scan and answer screening questions. Athletes under the age of 16 must be accompanied by an adult. All athletes are encouraged to self-screen before coming to the facility for any of the following new or worsening signs or symptoms of possible COVID-19
 - Cough
 - Shortness of breath or difficulty breathing
 - Chills
 - Repeated shaking with chills
 - Muscle pain
 - Headache
 - Sore Throat
 - Loss of Taste or Smell
 - Diarrhea
 - Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Known close contact with a person who is lab confirmed to have COVID-19
- Athletes must wear a mask when entering the facility.
- After screening is complete, the athlete will head to the locker room to wash their hands and then immediately head to the turf.

D1 DALLAS COVID-19 REOPENING GUIDELINES

- Athletes are encouraged to disinfect their equipment with readily available wipes and spray.
- Athletes must exit the facility after the completion of their class or appointment. If an athlete needs a retail item, after they exit the facility they can return to the front and request the item. Re-entry back to the lobby area is not permissible. Cross-traffic will be reduced by limiting athletes to designated entry and exits.

Staff | *What are we doing to keep you and our staff safe and protected?*

- All staff will complete a temperature scan and answer screening questions prior to being allowed to work. In addition, all staff will self-screen before coming to the facility for any of the following new or worsening signs or symptoms of possible COVID-19
 - Cough
 - Shortness of breath or difficulty breathing
 - Chills
 - Repeated shaking with chills
 - Muscle pain
 - Headache
 - Sore Throat
 - Loss of Taste or Smell
 - Diarrhea
 - Feeling feverish or a measured temperature greater than or equal to 100.0 degrees Fahrenheit
 - Known close contact with a person who is lab confirmed to have COVID-19
- All staff will **wear masks / face shields** while working in the facility, and they will wear gloves while cleaning. Coaches will be wearing face shields while they coach. Admins will wear a face shield during the screening process.
- All staff will closely monitor required social distancing guidelines to ensure procedures are being followed and everyone is safe.
