# ***A MESSAGE FROM The Director of Coaching***

As we are heading into the last third of the fall travel season, there are things to celebrate and also still look forward to.

Good luck to our high school players playing in post season games! We love to see our club players competing and playing hard to extend their high school season!

Our fall teams have had fun together at trainings, games, and team events, which is so great to see! We still have many league games and tournaments to play.

Don't forget Impact Supplemental Tryouts are on October 29<sup>th</sup>. If you know of anyone looking for a club, please send them the information on the following slide.

We want to thank the parents, grandparents, guardians, and others for supporting our teams, getting players to training, and cheering them on at games. We couldn't do it without you!

Let's finish the season strong, stay positive, and enjoy the time at the fields!

# ***IMPACT'S SENIOR GIRLS DIRECTOR, COACH DAVID CONNER***

A huge shoutout to our Senior Girls Director, David Conner! Coach Conner puts in so much “behind the scenes” effort to help grow our girls’ program. He attends high school games, contacts area coaches, encourages and supports our own Impact coaches, supports his Impact players at high school games, and so much more!

He coaches a very successful Men’s JV program each season at Greenfield-Central High School, as well as leading the 2008 Girls’ Elite team as head coach at Impact. He runs individualized practices for his players, developing specific skills and involving the players in multiple ways; he also suggests many leadership books for his players to read. He is a mentor to many and well-respected by all.

Along with all he does at Impact, David is also involved at Greenfield Area Soccer Club.

We cannot thank David enough for all he does to promote and encourage soccer in our community. He is an invaluable and important part of Impact soccer and we want to recognize his hard work. ***We appreciate you, David Conner!***

## Grateful to have received the following message from the 2008 Boys Team

“The program does such a great job of bringing players from all area schools together to build cohesiveness outside of their respective schools. It was great watching them root on their own & opposing teams. We love this club. Thank you & kudos!”
