

## TO HELP YOU REGISTER YOUR CHAPTER FOR MN DECA'S BACK TO BUSINESS COMPETITION

### TESTING

All students will have the option of paper pencil or own device testing. If students test electronically, they will receive a testing ticket at their scheduled exam time.

So in addition to asking if they are 1st year or 2nd year member, DECA needs to know if they want to test paper pencil or own device.

**Advisors will select by editing student:**
