Block name: Southeastern District Girls Hockey

This hotel list was prepared as a convenience for camp attendees and their families. It is not a complete listing of hotels within the radius of the tryout camp location. There is no requirement to book at any of these properties. There are a limited number of rooms blocked at these hotels as noted. When all rooms in the block are booked, then there may longer be availability at that property. A few locations indicated they may be able to open up additional rooms. Make reservations by the **block cutoff dates** listed. After that date, the block will disappear, meaning any remaining rooms will be sent out for booking by the general public and the rates noted may no longer be available.

If there are any problems with any of these room blocks, please notify Jeff Novotny at JNovotny@sahofhockey.org. Please indicate which hotel block is having an issue.
