

Player Sponsorship Form

Our Mission as Saug Valley Steam Academy (SVSA) and Steam Softball is to promote a positive competitive attitude; instilling self-confidence, and nurturing the principles of teamwork, character, respect (for both our teammates and opponents) and integrity in both victory and defeat. The emphasis is on developing the fundamentals of softball knowledge and skill, teamwork, self-confidence, and having fun!

Our program allows our players to seek Player Sponsorship from businesses to help players with the cost for uniforms and tournament fees, among other items. This donation will go directly to the player seeking the donation and their account. The cost of the Player Sponsorship is \$100 and each sponsor will have their name included on the players team banner, their name listed on our Facebook Page and our website. Our team banners are proudly displayed at tournaments where the team competes.
