→ HOC Update

◆ 8U update / move-ups

- ○ U10 teams should be 10-13 players max.
- ○ If we allow move ups, we should have a new rule you can move up. If you are top 5 you can play on the A team, if not you will play on the lowest team. We need to re-write how this is stated in the co-op agreement. We need to figure out how to write this.
- Let them try-out and see where they fall. If they make the A team and we don't need them to complete the team do they go back to the age appropriate team? or do they stay at the B2 team?

◆ HOC Membership Changes?
