The background is a solid purple color. In the upper-left quadrant, there is a complex, abstract pattern of thin white lines. These lines form several overlapping, irregular polygons and shapes, creating a sense of depth and movement. The lines vary in length and orientation, some being nearly horizontal or vertical, while others are at sharp angles.

# 5 Year Vision Statement

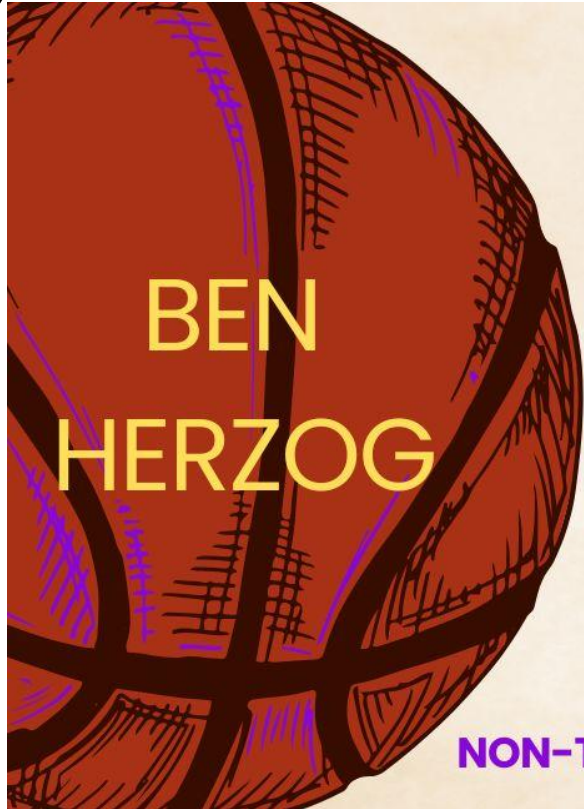

# 5 Year CAYBBA Vision Statement

- At the Chaska Youth Basketball Association, our vision for the next five years is to foster a thriving, inclusive, and community-connected basketball program that inspires young athletes both on and off the court.
- CAYBBA will be a model youth sports organization recognized for its strong alignment with the Chaska High School basketball program, offering a clear and supportive pathway for players from their early years through high school competition. We will deepen this connection through shared coaching philosophies, collaborative events, mentorship opportunities, and visible integration of high school athletes and coaches within our youth programming.
- As our community continues to grow, we are committed to proactively partnering with local leaders and organizations to expand access to gym space and facilities. We will advocate for and help drive investments in infrastructure that meet the increasing demand for recreational and competitive basketball opportunities in the Chaska area.
- Most importantly, CAYBBA will be known by our families and volunteers as a highly supportive, engaging, and ethically managed organization—one that consistently puts the development of young athletes and strong community values first. We will continue to prioritize inclusivity, sportsmanship, transparency, and fun in everything we do.
- Together, we will build not just better players, but confident young people and a stronger Chaska basketball community.

# How we'll get there. What obstacles are in the way of fulfilling this 5 year vision?

# CAYBBA Gives Back to CHS

CAYBBA is eager to continue to partner with Chaska HS through any basketball related initiative available to show the connection from youth to High School whether it be with youth attending High School games, various donations (e.g., Girls Bus for their state tournament and food, CAYBBA registrations at the annual golf tournament fundraiser, etc.), or recognizing past CAYBBA athletes through Senior Scholarships or other recognition (giving future college players signed youth jerseys).

The image features a solid purple background. In the upper-left quadrant, there is a complex, abstract geometric pattern composed of several overlapping, thin white lines. These lines form a series of irregular, nested shapes that resemble a stylized, multi-layered letter 'R' or a series of overlapping polygons. The lines are thin and white, creating a high-contrast effect against the purple background. The overall composition is minimalist and modern.

## CURRENT:

### **Chaska Basketball Refund Policy:**

Refunds will be issued based on the following criteria:

- 1) Before Sept 1st: 100% - \$20 processing fee
- 2) After tryouts and before team placement 80%
- 3) After team placement before October 15th: 25% less \$100 (For uniform)
- 4) After October 15th: 0%

**INJURY POLICY** If a player is unable to play basketball per doctor instructions, refund will be prorated according to the number of games remaining, minus \$100 to cover cost of uniform and transaction fees.

Note: All refunds will have a \$20 administration fee per canceled registration subtracted from the paid amount, regardless of any applied scholarships/awards. This is primarily based upon the estimated historically 3% fee charged by the bank, for each original registration and the refund transaction. Those having paid by check will also be charged this same administration fee; otherwise we will find ourselves doing more checks and more research to reconcile. If, by refunding a given player's registration fee, the family's number of players is then reduced to 1 (one), then the previously applied multi-player discount (if applicable) for that family's players will also be subtracted from the refund. Any issued equipment must be returned in full and good condition prior to refund being issued.

## RECOMMENDATION:

### **Chaska Basketball Refund Policy:**

Refunds will be issued based on the following criteria:

- 1) Before Sept 1st: 100% - \$20 processing fee
- 2) After tryouts and before team placement 80%
- ~~3) After team placement before October 15th: 25% less \$100 (For uniform)~~
- 3) After team placement: 0%

# State Tournament Host Option

Dear Chaska Travel Basketball Leadership,

As MYAS begins the process of identifying host groups for the 2026 MYAS Grade State Basketball Championships, we are pleased to extend this exclusive opportunity to your association.

The Chaska Travel Basketball Association has been identified as a top candidate due to your proven leadership and access to a facility that meets, and potentially exceeds, the high standards established for this premier event.

This is more than just an opportunity to host Grade State games; it's a chance to showcase your facilities, reinforce your association's commitment to community-based basketball, and unlock a powerful fundraising mechanism for your program.

Additionally, hosting a MYAS Grade State Championships playing location brings a tangible economic impact to the community, drawing hundreds of families to the area who will support local restaurants, hotels, and businesses throughout the weekend.

We are prioritizing MYBA member associations for hosting rights, and we believe your group is uniquely positioned to deliver an exceptional tournament experience that reflects the excellence and integrity of the Grade State Championships.

## **2026 Tournament Dates**

- ~~Girls: February 28–March 1, 2026~~
- Boys (3rd–6th Grade): March 7–8, 2026
