Travel Team Selection Policy.

Scope: Woodbury Athletic Association serves the families of the city of Woodbury and also the youth that attend Woodbury schools. In order to continue to promote serving our community we need to ensure that team selection is kept as neutral as possible.

The Policy:

Tryouts for traveling teams shall be conducted to ensure that all WAA children are evaluated and placed on teams according to their skills and ability.

In an effort to ensure that this happens in a fair and neutral manner, no competing high school coach nor their staff will be evaluators, provide input into team selection or in any other way have a say as to who gets placed on each team at each level of play. The evaluators shall be chosen based on criteria for that sport and selection shall include the fact that evaluators have no interest in the outcome of the team selection process.
