Notes
<p>a. Regular season points are calculated based on the number of scheduled games for teams in each level. Teams with more home games will have larger regular season points requirements due to a greater number of game day responsibilities (e.g., concessions and scoreboard) to support those teams.</p> <p>b. Maximum required points per family: 150 points</p> <p>c. Points are accumulated from September 1, 2019 to August 30, 2020</p> <p>d. Unearned points at the end of the season will result in the Deposit Check being cashed and the value of the unearned points being retained by Brookings Friends of Baseball.</p> <p>e. Failure to work a selected shift or to identify a replacement will result in the Deposit Check being cashed and \$100 being retained by Brookings Friends of Baseball.</p> <p>f. Failure to return a jersey or equipment owned by Friends of Baseball at the end of the season will result in the Deposit Check being cashed and the replacement value of the jersey or equipment being retained by Brookings Friends of Baseball. This does not apply to jerseys for regular season, league jerseys in the Juniors, Minors, and Majors. They can be kept by the players.</p>

Note: This document is only applicable to the 2020 season.

I agree to earn the number of regular season and tournament points indicated in my points calculation, up to a maximum of 150 total points, by volunteering to serve the organization in a position described in the 2020 Brookings Friends of Baseball Points Document and Position Descriptions or in a position designated by the Board of Directors. I understand that if I or our family does not earn our required points, I we will forfeit \$5.00 per unearned point from my Deposit Check. Should I or our family elect to not work any points during the season, I agree to forfeit 100% of the monetary value of my points requirement from my Deposit Check at the end of the season. Furthermore, I acknowledge that I or our family will attend all worker shifts for which I or our family volunteers for during the 2020 season. Failure to attend any selected shift or identify a replacement will result in forfeiture of \$100 from my Deposit Check.

I also agree to return any jersey or equipment owned by Brookings Friends of Baseball within 1 month from the last game of the season. Failure to do so will result in the Deposit Check being cashed and the replacement value of the jersey or equipment being retained by Brookings Friends of Baseball. This does not apply to jerseys for regular season, league jerseys in the Juniors, Minors, and Majors. They can be kept by the players.
