Player Transfer request by Jenny & Alex Sorben, would like Taylor to transfer from Huron to Mitchell. Looking at a one year or two years move for her, she wants to finish her hockey career at HHA. There is no team for her here at HHA. If the state doesn't have a JV team, we wouldn't have to do the transfer. Mark would like to table it so we can discuss this more at the executive board session. We will have an answer in June before Mitchell deadline.
