COVID-19 Update

Texan Families,

The health of our Texans players, parents and staff is a priority for our Board. The Board and staff have been in touch with WDDOA, CAYSA, STYSA and USC. We are fortunate that this week is Spring Break and no practices were planned for this week. However, I want to share with you what we are planning for the near future. Please understand, as you've seen throughout this crazy week, this situation is very fluid.

Here is what we know now:

- On 3/13, STYSA cancelled all activities until 3/31.
- On 3/13, WDDOA suspended all activities for WDDOA games (Prime, Challenger and Alpha) until after 4/5.
- On 3/13, CAYSA suspended all league competitions and practices through 4/5.
- On 3/17, US Club Soccer announced the suspension of all games through 4/12. This includes practices, team travel and scrimmages for US Club member organizations.

To ensure the Austin Texans are doing our part to protect the health of our club families and the community, we will suspend all practices, scrimmages and games in accordance with these governing organizations through 4/12, effective immediately. All Texan practice locations, both TFP and TFR will be closed to any play until we start practices again. Our goal is to resume practices on 4/13.

We are continually monitoring the situation, and should something change that allows us to return to play any earlier, then we will let you know.

We definitely recognize the challenge before us and understand the desire to be on the pitch, but feel this is in the best interest of our families and staff.

We have built a great community through soccer and the Austin Texans. Please look out for each other.

Austin Texans Soccer Board
