

Return to Play Assessment / Évaluation de retour au jeu

Risk Assessment Level / Niveau d'évaluation des risques

Low/Faible

Dear Bradford Soccer Club

Thank you for completing Canada Soccer's Return to Soccer Assessment Tool. Based on the information provided as of the date of this correspondence, we are pleased to advise that your risk is assessed as LOW. When the Provincial and/or Municipal Public Health Authorities provide permission for sports activities to resume you may determine, together with Ontario Soccer, when you wish to renew your club's activities in accordance with your plan. You are reminded that should your club decide to return to train when restrictions are lifted, either fully or in part, it is the club's responsibility to ensure that the local conditions for a safe return to the pitch are met and that any impositions set by the local Public Health Authorities are factored into the process moving forward. Further, depending on the timeline between this assessment and when local restrictions are eased, the Club is responsible for continuing to update its mitigation plan as new information is provided by the local authorities.

In addition, Member Association Technical Directors and/or the Canada Soccer Development Department would be happy to discuss with your technical staff alternative training drills that respect social distancing and similar restricted sessions should you wish to take advantage of that opportunity.

Good luck in your return to soccer and stay safe.
