We, the Kettering Largo Mitchellville Boys & Girls Club (KLMBGC) Board of Directors, pray this message finds you and your family safe. As like you, we are looking forward to **RETURN TO PLAY**. We have been diligently working during the pandemic to ensure when we **RETURN TO PLAY** this Fall, we will do so in a manner that ensures the safety of our student athletes, their families, coaches, and volunteers. We have written guidelines that are consistent with Federal, State, and County COVID-19 protocols (*e.g.*, wearing a mask, practicing social distancing, supplying hand sanitizers, etc.) for all participants and attendees to follow during practices and at games.

In the meantime, we wanted you to know we will be offering Spring T-Ball for children ages 4-7 years old. We are confident we can implement this program following COVID-19 safety protocols. If you are interested in your child participating in Spring T-Ball this season, please contact Commissioner Russell White at (301) 996-6492 or baseball@klmbgc.com.

This summer, we will host a **RETURN TO PLAY/Health Fair Day**. At this event, we will outline our new safety protocols and procedures for all our Fall sports programs. We will have physical demonstrations and on-site healthcare vendors providing an array of health information. Event-specific information will be provided in the coming weeks.

Lastly, the Prince George's County Boys and Girls Club (PGCBGC) announced they will host several "**RETURN TO PLAY**" events during the month of May. Registration is limited, so make sure you act fast.
