

WHERE OLYMPIC JOURNEYS BEGIN

A LETTER FROM THE CEO

On behalf of USA Softball, I would like to encourage you to join thousands of individuals across the globe by getting involved in our great sport. It is because of the athletes, coaches, umpires, managers and spectators who support the game of softball that our organization works to continue its historic mission of developing, administering and promoting the sport across the United States.

USA Softball takes great pride in being the National Governing Body of Softball in the United States and is recognized by the United States Olympic & Paralympic Committee for our commitment to the well-being of the members in our organization. This reputation for providing the best-of-the-best in all aspects of the game is built on a foundation of 80+ years in sanctioning the sport of softball – a foundation that we will continue to build upon as we move into the new season and beyond.

As the leader in the sport of softball, our commitment to athlete safety is unmatched. Simply put – USA Softball will not tolerate ANY abuse whether it is physical, mental, emotional or sexual. That is why for over 10 years, USA Softball has required background checks for all adults on the field of play in our Youth/Junior Olympic (JO) program. USA Softball, together with the USOPC and the U.S. Center for SafeSport, has developed and implemented policies designed to protect our members from various types of misconduct and abuse.

Our network of state and metro associations enforce this commitment throughout the grassroots ranks of our organization and our success is a direct reflection of the investment that our various association personnel have put into their local programming. Because of volunteers out in the field and their efforts conducting thousands of events throughout the year, we know that the future is bright for USA Softball.

After watching our Women's National Team return to the Olympic Program for the first time since 2008 while earning a silver medal finish at the Tokyo 2020 Olympic Games, I am optimistic that a glimmer of hope and determination was sparked for all youth athletes who are dreaming of reaching new heights on the field.

What makes USA Softball so unique is that we provide opportunities for people to stay involved in the game they love at a variety of levels. From ages 8-80, USA Softball offers fast pitch, slow pitch, modified pitch and 16-Inch slow pitch softball at both the recreational and competitive level. For those who aspire to represent their country, USA Softball is the pipeline from the grassroots to the National Team level, and we could very easily be watching future National Team members at our local tournaments and National Championships that take place across the country each year.

While we are happy with the success and participants we garner today, we look forward to growing on those accomplishments in years to come. We hope that you take your passion and determination for the sport to the next level by joining USA Softball. Whether you're competing to win a USA Softball National Championship, get the call to umpire the final game of a Championship, or just simply play the game to the best of your abilities, we hope that you achieve these goals and more. Once again, thank you for choosing to play Softball...the Game America Plays!®

Sincerely,

Craig A. Cress

THE NATIONAL GOVERNING BODY OF SOFTBALL

WHO IS USA SOFTBALL?

- USA Softball (USAS) is the National Governing Body (NGB) of Softball in the United States. A National Governing Body (NGB) is an organization that governs and administers a sport on a national basis. For any sport which is included on the program of the Olympic Games, the Paralympic Games or the Pan American Games, the corporation is authorized to be recognized as an NGB.
- Since 1933, USAS has become one of the nation's largest and fastest growing sports organizations. Growing from a few hundred teams to over 120,000 teams today, USA Softball represents a membership of more than 1 million across the United States.

MISSION

To develop, administer and promote the sport of softball to provide opportunities for participation and the best possible experience for those involved.

VISION

USA Softball will be the standard of excellence in softball.

USA SOFTBALL MEMBERS

USA Softball is made up of a Board of Directors as well as...

KEEPING YOUNG ATHLETES SAFE

SAFESPORT

As the National Governing Body of Softball in the United States, USA Softball (USAS) joins with the U.S. Center for SafeSport (the Center) in its commitment to building a sports community where participants can work and learn together in an atmosphere free of emotional, physical, and sexual misconduct.

The Center's authority derives from the bylaws of the United States Olympic & Paralympic Committee and from The Protecting Young Victims from Sexual Abuse and Safe Sport Authorization Act of 2017 that was passed by the United States Congress. Such bylaws mandate that the USOPC eliminates abuse and recognizes the Center's jurisdiction and authority to fulfill this mission.

The U.S. Center for SafeSport seeks to create a healthy, supportive environment for all participants. Through education, resources, and training, the Center helps members of the sports community recognize, reduce, and respond to misconduct in sport.

MAAPP

USA Softball is invested in keeping young athletes free of abuse and has adopted the [Minor Athlete Abuse Prevention Policies \(MAAPP\)](#). The MAAPP limits one-on-one adult/minor interactions and sets standards for training and sport settings that prevent abuse and misconduct.

The MAAPP includes:

- 1** An Education and Training Policy that requires SafeSport Training for certain adults in the U.S. Olympic and Paralympic Movement.
- 2** Required Prevention Policies with seven key guidelines limiting one-on-one interactions between certain adults and Minor Athletes. Required in the U.S. Olympic and Paralympic Movement and recommended for any leagues and sport entities.
- 3** Recommended Prevention Policies, though not required, for all sport organizations within and beyond the Movement

BACKGROUND CHECKS // ACE

To achieve the USA Softball mission and vision, we have programs in place to help protect athletes on and off the field as well as prepare coaches to be the best that they can be!

BACKGROUND CHECKS

USA Softball annually conducts more than 70,000 criminal background checks of its participants. Members who are background checked include adult non-players in youth play, umpires, scorekeepers, staff, and other volunteers. Background checks conducted by USA Softball are for the sole purpose of determining eligibility for USA Softball sanctioned events. Such background checks are not used for employment screening and are required for all umpires and coaches over the age of 18 participating in JO events.

Participants who process an independent background check, normally paid by credit card on RegisterUSASoftball.com, receive an I.D. card from USA Softball stating that they've passed the background check. Other participants may receive notice of background check clearance through the form of an ACE I.D. card or on their individual team registration card.

ACE

USA Softball provides educational information to more than 25,000 coaches each year. The ACE (Aspire, Challenge, Encourage) Coaching Program is a coaching education program developed and designed to provide softball coaches of all levels – from beginning coaches to experienced veterans – an opportunity to be educated as a coach with a national softball organization.

As the National Governing Body of Softball in the United States, it is USA Softball's responsibility to ensure that our coaches achieve a certain level of understanding of what their duties are as a coach of a youth softball team. The ACE Education videos and training materials serve as practical guides to the everyday situations you will encounter as a youth softball coach. The lessons are taught by former and current coaches and athletes, including members of the USA Softball Olympic team! After obtaining your ACE education, you will be well prepared to coach a youth softball team.

The guiding principles behind the ACE Coaching Education Program are:

A ASPIRE

to achieve a comprehensive level of knowledge for the game.

C CHALLENGE

your understanding and knowledge through continued education and growth.

E ENCOURAGE

yourself and others to be prepared and knowledgeable as a coach in order to provide your athletes an environment in which they can achieve success.

Additionally, ACE coaches received \$2,000,000/\$5,000,000 liability insurance coverage from the time it's complete through the rest of the season!

Here is a quick run-through of the ACE Coach Education Program and how one would become educated and achieve the highest level of ACE Education.

The first step to complete for any coach who is attempting to become educated is to log in to RegisterUSASoftball.com. If you are an existing coach who is coming to the site to complete another level of education, your profile should be located, and you'll continue from the position that you left off. For example, if you completed ACE Level 1 last year, ACE Level 2 will be available for purchase and completion. Coaches can get their member ID number from an ID card produced through RegisterUSASoftball.com or contacting the local USA Softball Association.

RULES, CODE, BYLAWS & BUDGETING

HOW RULES, CODE AND BYLAWS ARE SUBMITTED AND VOTED ON

- Bylaws can only be changed by Board of Directors.
- Procedural Code can be submitted and voted on by Council Members.
- The window to submit Procedural Code/Rule changes is within two months before the Annual Council Meeting via the Governance Website (governance.softball.org).
- Each submittal must have the way the item is currently written, how you propose it to read and why the change should be made.
- Once the Governance Site closes, all members can go in and submit their preliminary vote.
- Once the preliminary vote deadline hits, the National Office prints the proposed changes with preliminary vote totals in the Annual Council Book.
- Every Committee/Panel/Forum meets throughout Council and discusses the changes that affect them (i.e. Playing Rules & Legislative) ... at this time, the authors have the ability to amend or withdraw their proposal.
- Once the individual meetings are all completed, the final vote goes to the Final Session where all Council Members are together. All proposals that were approved in their respective meetings pass through unless a member of the Council places a "HOLD". All "HOLDS" are discussed at the end. All proposals that were denied during their respective meeting never make it to the Final Session.
- Once the Chair is finished reading through the changes, everything that was accepted by Committees/Panels/Forums officially passes through as an official change to the Procedural Code/Playing Rules.
- Any items that were placed on a "HOLD" are reviewed on the floor with the entire Council. Discussion takes place and the Author has the ability to amend or withdraw their item. Once finalized, the Council Votes to either Accept, Reject or Abstain.

TIPS TO HELP BUDGET & GUIDE YOUR LEAGUE/TOURNAMENT FINANCIALLY

- 1 Secure date & complex based on the type of event you're running (adult, JO, fast pitch, slow pitch).
- 2 To determine entry fee, work the budget backwards. See attached document on expenses to consider.
- 3 When determining revenue, consider the type of event and where it makes sense to pull revenue. For example, charge a higher team fee and not a gate fee. Does charging for parking make sense? Work the budget so your event is in the surplus. Our events are family friendly and not meant to break the bank.
- 4 Advertise tournaments via TournamentUSA (TUSA), personal website, Facebook groups, news releases, email blasts, etc.
- 5 Finish planning remainder of event including ordering awards, softballs, sorting out merchandise, and scheduling staff.
- 6 Collect all final information & entry fees from teams. Build a schedule and post no later than one week in advance.

USA SOFTBALL BRANDING

USA SOFTBALL™

The USA Softball logo is one of our greatest branding tools as it represents our organization to the softball community, sports industry, sponsors, and the public. To maintain its integrity and the equity that we have established with this mark, it is important to position it in a proper manner as outlined in the [USA Softball Official Style Guide](#).

Careful application of these brand identity guidelines will effectively differentiate, protect, and strengthen the USA Softball brand. The USA Softball Official Style Guide outlines the appropriate uses of the USA Softball logo in a variety of applications. Your commitment and support will contribute to the long-term, overall growth and development of the USA Softball brand.

To find licensed vendors please visit [USA Softball Licensed Vendors](#).

FUNDRAISING TIPS

1. Identify your fundraising purpose and create your fundraising pitch
 - This could include staffing, scholarships, upgrades, etc.
 - Galas, Special Events, etc.
2. Create a donor platform & ways for supporters to donate
 - Recognize the key areas that people can consider donating towards and create various categories for distinctions and recognition
3. Keep your donors in the loop and make them feel they are in the know on everything USA Softball
 - Send personal Thank You letters
 - Create social media campaigns recognizing important businesses and personal donors

COMMUNICATION IS KEY

DIRECTLY COMMUNICATE WITH YOUR MEMBERS

Create an easy line of communication with your coaches, parents, athletes, umpires, etc.

- Create email distribution lists to notify members of any relevant information happening in your area and/or within USA Softball
- Consistently communicate through bi-weekly newsletters and/or quarterly recaps
- Actively update your website with the most relevant information/content

SOCIAL MEDIA

Work with your local association and the USA Softball National Office to cross promote on social media accounts

- Utilize visual content (photos, videos, etc.) - *The less words the better*
- Make a goal to post 3-5 times a week
- Share exciting and fun moments to celebrate now and remember in the future
- Connect with parents, players, coaches and umpires to collect content to share
- Tag your local association and @USASoftball
- Share posts from @USASoftball to help members stay informed on a national level

EVENT SPECIFIC TIPS

BEFORE: Promoting event details, previewing teams = **WHY** should teams participate? **Get people excited!**

DURING: Talking with teams, umpires, etc. about their experience and posting highlights/recaps on social media and website. **Show off your event!**

AFTER: Showing how beneficial it was, how much fun participants had, previewing the **NEXT** tournament, etc. **Recap your event!**

DEVELOPMENT TOOLS & TIPS

EDUCATION

AMATEUR RESOURCE CENTER

ACE COACH EDUCATION PROGRAM

PLAY BALL

Play Ball is MLB's signature youth event designed to introduce bat/ball sports at a grassroots level. Hosting a Play Ball event is a great way to engage the broader community and spark some interest in the game. We have a Play Ball activation guide that can be distributed to you upon request.

This website is the hub of information about all the MLB Baseball & Softball Development initiatives (signature Play Ball events, Development events with USA Softball, RBI, etc.).

Potential USA Softball Association activations: Play Ball event to kick off league registration period with an event hosted the weekend prior to registration commencement to spark interest (option to add opportunity for early registration on site at the event); community engagement in connection with existing tournaments. Opportunities for Play Ball grants through the boys & girls club supported by MLB.

MORE INFO

MLB/USA SOFTBALL ELITE DEVELOPMENT EVENTS

Elite development programs geared towards high school athletes in underserved and underrepresented communities and run-in conjunction with the USA Softball National Office.

Training camps are free of cost for athletes to attend and include a mix of intense on-field training combined with off-field educational sessions focused on topics such as recruiting, nutrition, and baseball/softball career opportunities.

Coaching staff includes current and former USA Softball National team members.

More information on these programs is available under the "Player Development" dropdown at www.playball.org

Potential USA Softball Association activations: USA Softball Associations have opportunities to nominate athletes to attend these unique events.

PITCH, HIT & RUN

This is a competition-based grassroots program for youth baseball and softball players. Organizations (including colleges/universities) can sign up to host a local competition. Final rounds for athletes who advance that far are held as part of MLB All-Star Week.

Potential USA Softball Association activations: Host competition event as part of a tournament—enhances opportunities for those participating in the tournament and brings members of the community out to participate that may not otherwise be involved.

MORE INFO

SOFTBALL BREAKTHROUGH SERIES

The Softball Breakthrough Series is designed to promote softball as a viable collegiate option for youth from underrepresented and underserved communities. The event is completely cost-free for participants, who are selected by invitation only. The program focuses on developing players on and off the field through seminars, mentorship, gameplay, scout evaluations, video coverage and the highest level of instruction.

In all, 60 participants are selected from all over the country through league nominations. Selected athletes will have the opportunity to work with U.S. Olympians, former National Team members and coaches for three days of on- and off-field instructions and scrimmages.

VOLUNTEER RECRUITMENT

How to Use Registration to Recruit New Volunteers

A strong volunteer base is at the center of every successful program. From coaches to Board members, every volunteer plays a part in providing a great experience.

Step 1: Identify Volunteer Positions

The Board determines how many positions need to be filled in advance of the season. When identifying positions, be sure to define the role, responsibilities, and time commitments of that position. This will help potential volunteers know what to expect and help the league measure the success of the individual filling that position.

Step 2: Find Sources to Recruit Volunteers

Most volunteers within your league will be parents of participants; however, there are other areas to which your league can look for volunteers such as service organizations, local businesses, leadership programs, high schools, and colleges.

Step 3: Prepare To Reach Out To Potential Volunteers

When asking someone to volunteer their time, there are several factors you will want to keep in mind. This includes clearly defining volunteer roles and positions. Be prepared to promote to individuals why they should volunteer with your league and talk about the opportunity to support the children in your community, which is different from player registration promotion.

Step 4: Recruiting Volunteers

There are numerous opportunities to reach out to volunteers, including registration, tryouts, or other in-person opportunities. Make sure your in-person events are conducted in a positive, welcoming environment that family members want to be a part of. When conducting an event, talk with parents about positions that need to be filled. When conducting an online registration, make sure there is an opportunity for parents to sign up to help out in a volunteer capacity.

Step 5: Volunteer Recognition

An important part of keeping volunteers engaged and motivated is recognizing their efforts throughout the year. Whether your league holds a Volunteer Recognition Ceremony or creates special pins and other tokens of appreciation, consider creating opportunities to recognize and thank your volunteers. Showing appreciation for volunteers is crucial to a league's longevity.
