About IRONMAN
A Wanda Sports Holdings company, IRONMAN operates a global portfolio of events that includes the IRONMAN® Triathlon Series, the IRONMAN® 70.3® Triathlon Series, 5150™ Triathlon Series, Iron Girl®, IIRONKIDS®, six of nine International Triathlon Union World Triathlon Series races, road cycling events including the UCI Velothon Majors Series, mountain bike races, premier marathons and other multisport races. IRONMAN's events, together with all other Wanda Sports Holdings events, provide more than 680,000 participants annually the benefits of endurance sports through the company's vast offerings. The iconic IRONMAN® Series of events is the largest participation sports platform in the world. Since the inception of the IRONMAN® brand in 1978, athletes have proven that ANYTHING IS POSSIBLE® by crossing finish lines at the world’s most challenging endurance races. Beginning as a single race, IRONMAN has grown to become a global sensation with more than 260 events across 42 countries. For more information, visit www.ironman.com.

For our European Headquarters in Liederbach am Taunus (near Frankfurt) we are actively looking for a highly motivated

FIELD LOGISTICS COORDINATOR
Europe, Middle East and Africa (EMEA)

General Summary
Reporting to the Logistics Manager, the Field Logistics Coordinator is primarily responsible for the logistical coordination of race equipment and branding on a series of IRONMAN and IRONMAN 70.3 events. He or she will assume the responsibility for one of the tour systems consisting of two trucks each that IRONMAN operates to supply equipment to approximately 40 events each season.

Principal Duties and Responsibilities
- Manage all operations of IRONMAN tour trucks from arrival at the event site until on-time departure to the subsequent event
- Coordinate with local race operations team prior to the event week to identify and plan unloading, distribution, setup, teardown, packing and loading of equipment
- Oversee above activities and actively contribute to execution as required
- Instruct local race operations team for correct usage of equipment and branding materials
- Serve as the on-site point of contact for all equipment-related questions and topics during race week and teardown
- Supervise re-packing of material, record damages or losses, and work with EMEA logistics organization to organize replacements; execute smaller repairs on site as appropriate
- Ensure on-time departure of tour trucks to meet required arrival times for the subsequent event
- Work with IRONMAN’s Merchandise department to set up and tear down the store, plan and execute handling of excess product; help to organize onward transport or return to EMEA warehouse
- Work with local race operations team of subsequent events to plan and execute handling of excess bulk materials (paper cups, sponges, aid station supplies etc.); organize onward
transport, return to EMEA warehouse or local storage

• Work with truck drivers to load trucks and apply appropriate load securing measures

Additional Responsibilities

• Support race directors in planning labor and equipment (e.g. forklifts) based on best practices in the EMEA region
• Support local race operations team with additional tasks after completing primary responsibilities as appropriate
• During the off-season period, contribute to the review and preparation of the equipment for the upcoming season, conduct and participate in planning meetings to continuously improve operations in the region
• When not assigned to an event, operate the EMEA warehouse to receive goods, pick material for bulk shipments, load and unload trucks, manage inventories etc.

Job Requirements

Education and work experience:

• Fluency in English is a strong must, any additional language skills in will be a benefit (German, French, Spanish, Italian, Danish, Swedish or other European languages)
• Related work experience is appreciated
• Degree in sports management or logistics, or comparable vocational training
• Proficiency in MS Office and project planning are required

Skills and knowledge:

• Good communicator and open to learning and trying new things
• Ability to work well in an international team environment
• Ability to manage diversity in job responsibilities with precision and accuracy in work
• Must be hands on, able to multi-task and show proper level of time management
• This position will require work on weekends during race season and regular travel in the EMEA region is required
• For the 2020 season, this position will be located in the EMEA headquarters. A relocation to another of IRONMAN’s offices in the EMEA region can be considered at a later point
• Knowledge of and interest in the sport of triathlon is a plus
• Driving license required, preferably including license for light and/or heavy trucks (European driver’s license classes C1/C/CE or equivalent)

A contract will be made on the basis of a full-time employment. Start date preferably in March 2020. We are looking forward to receiving your application including your salary expectations and your notice period.
