## ACTION BULLETIN

**Bulletin #:** A2020-020  
**Date:** Oct. 19, 2020  
**To:** Ontario Soccer; District Membership, ORA and Associate Members  
**CC:** Ontario Soccer Board of Directors, Staff  
**From:** Patty Forbes, Director, Administration  
**Subject:** Registration is now open for 2021 Outdoor Season

Ontario Soccer has opened the registration for the **Outdoor 2021 season** in the Ontario Soccer Club & Academy Registry (OSCAR), powered by SportsEngine.

Ontario Soccer cannot emphasize enough that member organizations must register in OSCAR to ensure they continue to have access to membership benefits, including insurance coverage.

Please note that the number of divisions (playing classifications) has been reduced and provides greater clarity. Ontario Soccer has updated the approval settings to reflect which levels of play require authorization. Please advise if you have any issues with approvals, such as recreational players that do not require authorization. Please see additional [OSCAR Release Notes](#) for Outdoor 2021.

Ontario Soccer is also updating violation notes and warnings that will notify the administrator when registration rules are breached.

Please ensure that you contact the [Help Desk of SportsEngine](#) first if you have technical issues. There is no need to contact the District Association or Ontario Soccer to log a request for assistance. However, if the Help Desk does not reply in a timely manner please forward this issue to your District and they will escalate the issue to [Patty Forbes](#) for action.

### How do I stay connected with Ontario Soccer?

[Subscribe to INSIDE THE 18](#) – Ontario Soccer’s weekly newsletter. Follow us on [Twitter](#), [Facebook](#), [Instagram](#) and [YouTube](#).

If you have any questions, please contact [Patty Forbes](#), Director, Administration.
