1. Meeting **CALLED to ORDER** at 7:05 PM

2. **PUBLIC FORUM**

Troy - Baseball Committee member for 3-4 years, Uniform Coordinator. Question of if the Treasurer is a filled role or if it is an open position? There is a Policies and Procedures Manual online? Sustaining members, what are they, do we have them?

Response: People would serve for 6-8 months in the treasurer position and then move on, so we transitioned to an outside accounting firm. We would need to discuss if we want to fill the treasurer position or remain with the accounting firm. That decision would happen at the Annual Board meeting in October.

Sustaining Members are anyone who is willing to help, active volunteerism.

Eric Laumeyer - Parent of both baseball and softball. Question about the refund policy, 6 15U teams and 3 17U teams. In the past SBAA was very flexible to find spots for the players. It used to be that they would get a refund before teams were drafted and uniforms were ordered.

3. **APPROVAL OF MINUTES** from March Meeting and the Special Meeting from March 26 as amended.

Motion to approve by Randy, seconded by Kara. Motion passes.

4. **NEW BUSINESS**

By-Laws Reviewed

Tabled until the next meeting.

Field 3

The company that is willing to do the work was in attendance and gave an overview of what would be done. This would be the first step in the process to make it playable.

Motion to allocate up to \$5,500 from the Capital Improvement budget to repair Field 3 by Randy, seconded by Julie. Motion passes.

5. CORRYN

Johnsville

Requested a donation for a raffle prize for their carnival or a yearbook ad purchase. We declined the request due to the timeline of when we received the request and when the event is taking place.

75th Anniversary Park - Budget

Corryn needs funds for the Anniversary Party, she anticipates she will receive the funds back.

Motion to allocate up to \$3,000 to be used for the 75th Anniversary Party by Justin, seconded by Joe. Motion passes.

\$800 Rental Fee

Corryn will respond to BATBA and sign the rental agreement.

There was a question as to where the rental donation went in the past. Years ago, it went to baseball. Since BATBA uses both complexes (Lion's Park and City Park), the donation will go to SBAA.

Parking for Tournaments

There is a lot of prep work that needs to be done before the Sodeville Classic baseball tournament and Soderville Summer Slam fastpitch tournament. No-parking signs and yellow yard tape needs to be placed. Julie will go to the local businesses to ask if we can use their parking spaces during tournaments.

Refund Policy

Discussion of the refund policy, and we need to stay consistent.

Open Meetings

Tabled until next meeting.

Voyage Minnesota

Justin will be our spokesperson.

Field Scheduling

Corryn shuts down her email during field scheduling time so she can focus and be as thorough as possible. She has created a new tool where it will be easier to find open fields.

Sports Engine

A baseball committee member released teams on Sports Engine to a Coach whose background check was still pending.

Coaches Meetings Information

Corryn created a coaches packet of information with weather information, incident reporting, etc.
