Round Robin Rules and Format

- USA Hockey rules apply during every game.
- Home Team wears Dark Jerseys
- Varsity Tournament games will have 15 minute periods with an ice cut after the 2nd period. JV Tournament games will have 14 minute periods with no ice cut. Pre-game warm-up will be three (3) minutes long and commence as soon as the Zamboni doors close and the scorekeeper sounds the horn.
- Any player who is assessed five (5) penalties during a game or a game misconduct is automatically suspended for the next Stevenson Tournament Game.
- Any player who is assessed a fighting major will be suspended for the remainder of the tournament.
- Running clock in the third period when the goal differential exceeds 5 (stop time will resume if differential drops below 5) – run clock for penalties – stop clock for injuries.
- No Timeouts permitted during round-robin games.
- **All teams should be ready to take the ice as much as 30 minutes prior to their scheduled start time in the event prior games finish early.**
- Division advancements are ranked in the following manner:
1) Most points 2) Best +/- with a cap of +/- 7 per game 3) Least goals allowed 4) Least penalty minutes 5) Most goals scored 6) Coin Toss

Semi-Final and Championship Rules and Format

- USA Hockey rules apply during every game.
- No running clock.
- One (1), one minute Timeout permitted per team.
- Any ties at the end of regulation time will result in a sudden death overtime period seven (7) minutes in duration after a 2:00 minute break for the semi-final round and ten (10) minutes in duration after a 2:00 minute break for the final round. If no winner is determined, a shootout will be used to determine a winner. The shootout format will be as follows:
 - Each coach selects 5 shooters prior to the start of the shootout. All other skaters not involved in the shootout must remain on the bench. Goalies may be alternated as much as needed. Should a player be serving a penalty (except a game misconduct or a match penalty) when the shootout commences, that player is permitted to participate in the shoot-out. The team designated as the home team has the option to go 1st or 2nd. Teams will alternate shooters thereafter.
 - If the game is still tied after 5 shots/team, a sudden death shootout will commence. Again, the home team has the option of going 1st or 2nd. Note: the team which goes 2nd in the sudden death shootout will have the opportunity to shoot even if the team that goes 1st scores.
 - Every player must shoot before any other player shoots a second time.
