

Coginchaug Basketball Club

2022-2023 Sponsorship Opportunities

Who we are: The mission of the Coginchaug Basketball Club (CBC) is to provide a competitive level of travel basketball for boys and girls in grades 4-8 within the towns of Durham, Middlefield and Rockfall, and to provide a positive basketball experience for its players. The CBC will promote the development of players including teamwork and individual player skills. The CBC will also emphasize positive sportsmanship and the value of scholastic performance off the court.

How we can help each other: We are looking for local businesses and organizations to partner with the Coginchaug Basketball Club to help achieve our mission and to benefit the young children in our communities, while at the same time promoting your local business or organization.

The Sponsorship cost for this season will be \$300. Sponsorships include.

- Company name/logo printed on a Sponsor's Shade for display at all home games
- Company logo and web page link on CBC website for 12 months
- Social Media blast once a month for October/November/December/January/February
- Company name on back of all player warmups.
