Dear Local Business,

_____ is fundraising to support the Los Alamitos High School Girls Volleyball program. Your generosity allows us to reduce the costs of the volleyball program so that the high school girls have the opportunity to play and compete in athletics without having to bear the entire burden of costs associated with this program.

You can support the program by purchasing advertising space on the website, ranging from \$250 - \$1,500. Please complete the Website Sponsorship form available on the website link below and submit with your artwork. Or you can donate any amount directly to the program on the website using a credit card.

<https://www.losalamitosgirlsvolleyball.com/donate>

All donations are tax deductible (Federal Tax ID# 35-2235904) and donors will receive an official acknowledgement letter for tax purposes.

Thank you again for your consideration.

Sincerely,

Elizabeth Ramos
