

2026 Districts 4/9 Hockey

District 4 and 9 invite you to try out for the 2026 CCM/Minnesota Hockey High Performance Girls 14's. The purpose of the CCM High Performance Program is to identify, train, educate and evaluate Minnesota's best hockey players. The competition throughout the program gives each player the opportunity to measure themselves against others in her age group, gain knowledge about her development and to be exposed to outstanding coaching. The team will then play two preliminary games at Fogerty Arena, in Blaine, between April 9-21, 2026. They will then play three games in the Spring Festival, played in Duluth, between April 24-26, 2026. I would suggest booking rooms early and make sure they are cancellable if your

daughter is not selected or you choose to decline an invitation for this phase. Duluth rooms fill up quickly.

Phase 4, Development Camp:

Following the Spring Festival, 120 players will be selected to attend the Phase 4 Minnesota Camp to be held at St Olaf College in Northfield on **June 15-19, 2026**. The Fee for those that are selected will be **\$750**.

Please remember if you are not a member of USA Hockey you must register online at <http://www.usahockey.com/> (click on players, then click "online registration"). You will not be able to skate until you are registered and forms are completed. Referee registrations are not valid.

The toughest assignment the coaching staff/evaluators will face during the entire process is the player evaluation process. Selecting players is not a perfect science and there isn't a perfect method that assures that we will always select the best player. We recognize that and we understand the disappointment of being passed over for another player. The best we can hope for is to give the selection process our fullest attention.

If you advance from the try-out process and make the team, congratulations! If you aren't selected, we hope you will do what all dedicated athletes do: prepare, train, do all you can, and be ready the next time opportunity knocks!

I look forward to seeing your daughter on the ice!

Sincerely,
Amanda Reed
