Haslett Community Ed. may cancel practices if field conditions are poor, there is severe inclement weather, or conflicts with the WECC schedule. Coaches may choose to cancel practice independently due to weather conditions, scheduling conflicts (i.e. school concerts), but all coaches must adhere to the MHSAA inclement weather rule which states " When lightning is observed or thunder is heard and the contest is suspended, contestants shall not return to the playing field until lightning has been absent from the local sky and thunder has not been heard for 30 minutes".
Thunder is thunder and lightning is lightning, there is no debate.
